Given Names: Ammar
Gender: Male
Passport No: N016167337

Dear Mr. Ammar Haj Ahmad Dabaan,

On behalf of the Kazakhstan Competitive Programming Federation, it is an honor to invite you to participate in the 48th World Finals of the International Collegiate Programming Contest (ICPC), which will be held on September 15-20, 2024 in Astana, Kazakhstan.

The competition is the global championship for teams of three advancing from the ICPC Regional contests. These World Finalists are among the top 2% advancing from a field of 73,083 talented students from 3,524 universities in 103 countries on 6 continents. The ICPC World Finals Astana will be an outstanding event that promotes education in computer science, mathematics, and engineering by spotlighting some of the world's most gifted university students excelling in algorithmic problem-solving and precision programming, inspiring future generations of IT professionals.

The ICPC World Finals Astana expects to host over 1,000 participants, including ICPC World Final Teams, their coaches, media, judges, staff, alumni, and volunteers who conduct competitions that span the globe.

All ICPC events and food functions are provided at no cost to registered participants during the team contest period from arrival on September 15 to departure on September 20, 2024. Hotel accommodations for the three team members and one on-site coach are provided at no cost.

More information can be found on the Host website (<https://worldfinals.icpc.global>). In the coming weeks, the ICPC website will contain an updated Schedule of Events and the ICPC Fact Sheet.

Hotel information will be published on your ICPC dashboard in **early July 2024**. The ICPC Guest Managers (worldfinalsoffice@icpc.global) will provide assistance with hotel reservations. Visa assistance will be provided by our Host Visa Manager (visas2024@icpc.global).

Please contact the ICPC Contest Manager, (manager@icpc.global), with all other questions.

In Astana, you will be the honored guest of the Kazakhstan Competitive Programming Federation (CPFed). CPFed's main goal is to popularize and develop competitive programming, as well as to improve the results of Olympiad participants through training events, competitions and the creation of an active community.

Freedom Holding Corp. is one of the main host sponsors of the ICPC World Finals Astana. This company provides a wide range of financial services to develop a digital ecosystem in Kazakhstan.

We look forward to seeing you in Astana in September 2024!

Yours sincerely,

Dr. Prof. Bakhyt T. Matkarimov
ICPC World Finals Director
